25X1 7. [] LIAISON Called Marty Faga, on the staff of the House Permanent Select Committee on Intelligence, regarding his request to receive an OWI paper entitled "Telemetry: Its Definition, Collection, Analysis, and Intelligence Value - A Tutorial." I told him that the document would be delivered tomorrow morning with the NID.

25X1 8. [] EMPLOYMENT Received a call from Bob McMullan, in the office of Representative Robert W. Edgar (D., Pa.), who requested that a professional employment package be sent to him for a constituent. OLC Registry will handle.

25X1 11. [] LIAISON [] CSS/NFAC, informed me that Bill Miller, Staff Director, Senate Select Committee on Intelligence, had called yesterday and asked [] 25X1
1960. Peters attempted to narrow the scope of the request but Miller insisted that this is what he needs. Consequently, a stack of documents nearly 10 inches high was sent this morning by NID courier.

25X1 12. [] LIAISON Received a call from Sandy Spector, Senate Governmental Affairs Subcommittee on Energy, Nuclear Proliferation and Federal Services staff. Spector asked for a briefing for himself and Len Weiss, Subcommittee Staff Director, on South African nuclear capabilities. Spector also indicated he would like to have some understanding of Agency capabilities in collecting information in the nuclear proliferation field. Spector feels there are gaps in monitoring capabilities of the International Atomic Energy Agency and they would like to know to what extent Agency capabilities complement those of the IAEA.
